13.1.3 no more than 4 (four) Dealers in total (including the Dealer for the Day) may be involved in placing of a given Series under the Issue Programme.

13.1.4 The Dealer for the Day will be authorised to act as a dealer under the terms of this Agreement and the Operating Procedure from the date on which the Issuer signs the accession letter referred to in Clause 13.1.2 until a given Series is registered with the securities depository maintained by KDPW, unless the Dealer of Day performs other functions in respect of a given Series.

14. NO SETOFF

No Party may set off claims that any other Party may have under the issue of Bonds, and all cash payments made by the Parties in accordance with the provisions hereof will be calculated and made without any amounts being set off or deducted.

15. INDEMNIFICATION

15.1 The Issuer hereby undertakes to indemnify each Dealer, its respective directors, employees and agents (each, an “**Indemnified Person**”) against all and any loss, claim, liability, reasonable expense, damages, including without limitation, claims by Bondholders and Investors which may arise from this Agreement, the Bonds, Depositary Receipts and the Information Materials, as the same may be amended, modified or supplemented from time to time, including, without

limitation, any alleged inaccuracy or omission of material information provided in the Information Materials unless the Indemnified Person is liable for the improper performance of this Agreement pursuant to the rules of the Civil Code

- 15.3 The indemnification obligations set out in this clause:
 - 15.3.1 will survive the termination of this Agreement until such time when any claims by the Bondholders and Investors that may arise from this Agreement, the Bonds, Terms and Conditions of Issue, Depositary Receipts and the Information Materials become ineffective, for whatever reason, or are fully satisfied;
 - 15.3.2 do not restrict the rights of the Indemnified Person to claim compensation under generally binding provisions of Polish law;
 - 15.3.3 do not restrict the rights of the Issuer to claim compensation under generally binding provisions of Polish law.

16. FEES AND EXPENSES

- 16.1 In connection with the provision of the offering service under the Issue Programme, the Issuer undertakes that it will pay each Dealer (engaged in the issuance of a given Series) a non-refundable Dealer’s commission fee as agreed separately between the Issuer and the given Dealer in the form of a written commission agreement, provided that its value is the same for all Dealers participating in the issue of a given Bond Series. The PLN amount of the commission will be calculated by multiplying the commission value expressed in basis points (b.p.) and the aggregate nominal amount of the issued Bonds according to the below formula and divided by the number of Dealers participating in the issue of a given Series:

$$DFM = \text{commission amount in b.p.} \times (WN \times n) / 365$$

where:

“*DFM*” means the value of dealer’s commission in PLN

“*WN*” means the nominal value of the Bonds issued on a given Issue Date with the same Maturity Date

“*n*” means the number of days (from the Issue Date (inclusive) until the Maturity Date (exclusive))

- 16.2 The commission will be payable to the Dealer within 14 days following receipt of an invoice or any other relevant document which will be issued by the Dealer upon the completion of the issue of a given series of Bonds.

- 16.3 The Issuer is entitled to grant a discretionary bonus (hereinafter referred to as the “**Discretionary Bonus**”) to the Programme Agent, the Arranger or individual Dealers participation in the issuance of a given series of Bonds. The Issuer will send an email notifying the Programme Agent, the Arranger or a given Dealer, respectively, participating in the issuance of a given series of Bonds of it being granted the Discretionary Bonus. In such a case, the relevant Parties will conclude, in writing, the relevant bilateral commission agreements within 7 (seven) days of the issue of the relevant Series of Bonds. The Programme Agent, the Arranger or a given Dealer to whom the Discretionary Bonus has been granted will issue an invoice or any other relevant document within 14 (fourteen) days from the date of issue of a given Series of Bonds.
- 16.4 The Discretionary Bonus will be payable to the Programme Agent, the Arranger or a given Dealer within 14 days from the date of receiving the relevant invoice or any other relevant document.
- 16.5 In addition, the Issuer will pay or cover:
- (a) taxes, stamp duties, taxes on civil law transactions and tax charges related to the issue of the Bonds on the primary market, if any, where this will not apply any taxes payable by Investors (including Dealers) in connection with their business – subject to Clause 16.6 below - or, to avoid any doubt, the fees paid to the Bank Guarantee Fund or any other relevant fund in the given jurisdiction;

- 16.7 Apart from the commission, the Discretionary Bonus and the costs mentioned above in Clauses 16.1 – 16.6, the Issuer will not bear any other additional costs in connection with the Agreement, unless such additional costs are confirmed in advance by the Issuer in writing.

17. TERM AND TERMINATION OF THE AGREEMENT

- 17.1 This Agreement was concluded for an indefinite term.
- 17.2 Notwithstanding Clause 17.1, in case of the occurrence of the events referred to in Clauses 10 (*Early redemption in the case of grounds for Early Redemption*), 11 (*Event of default*) or 12 (*Liquidation, merger, demerger or transformation*) of the Terms and Conditions of Issue (to avoid any doubt, whether or not the remedial period provided in respect of such event has lapsed,

if such a period is provided, or whether or not any Bond has been issued), or any breach by the Issuer of the terms hereof in other respects that is, in the reasonable opinion of the Dealer, material or in the case of a material discrepancy in the representations or warranties made by the Issuer in the Agreement, each Dealer may accordingly:

- 17.2.1 suspend, with immediate effect, for a definite time, the performance of their obligations with respect to the performance of their functions in relation to any and all unissued and planned issues of series of Bonds made after the occurrence of the event referred to above; or

The preceding sentence will apply accordingly to the obligations of the Issuer towards a given Dealer under the Bonds issued prior to the termination or expiry of this Agreement.
- 17.4 Each Party may terminate this Agreement in writing, subject to 30 days' notice. The termination of this Agreement will become effective after the lapse of the notice period, with the proviso that, in the period of notice, no Dealer will be obliged to perform its obligations with respect to any new Series of Bonds. This Agreement may be terminated with respect to the Dealer performing the function of the Programme Agent, Calculation Agent, Issue Agent or, provided that such functions are assigned at the same time to other Dealers remaining with the Issue Programme (by way of an agreement concluded between such Dealers and the Issuer) or the performance of a given function is entrusted to the Dealer for the Day.
- 17.5 In the event that this Agreement is terminated by one or more of the Dealers, this Agreement will continue in effect in relation to and between the other Dealers, provided that if the termination of this Agreement is made by the Programme Agent, Calculation Agent or the Issue Agent, then the other parties will agree on which Dealer will assume the functions of the Programme Agent, Calculation Agent or the Issue Agent and (if appropriate) such Parties to this Agreement will promptly amend this Agreement accordingly.
- 17.6 In the event that this Agreement is terminated, regardless of the terminating party, each Dealer will receive from the Issuer, no later than seven days after the termination hereof, any and all outstanding commissions and fees and costs for the services rendered pursuant to the Agreement, referred to in Clause 16 (*Fees and expenses*) above.

SCHEDULE 3
OPERATING PROCEDURE
GENERAL INFORMATION

This procedure constitutes (the “**Operating Procedure**”) within the meaning of the issue agreement dated 13 November 2020 (as amended), concluded by and between the Issuer and the Dealers (“**Issue Agreement**”). Capitalised terms used in this procedure and not defined herein will have the meaning given to them in the Issue Agreement. In the event of a conflict between the Operating Procedure and the Issue Agreement, the Issue Agreement will prevail.

The issues of Bonds under the Issue Programme will be carried out in accordance with the terms and conditions described in the Issue Agreement and will be placed on the best effort basis.

If necessary, there may be deviations from the Operating Procedure set out below, also in the course of the procedure in connection with the issue of a particular series of Bonds (the “**Series**”), provided that the Issuer, the Dealers participating in the issue of a particular Series and the Issue Agent express their consent thereto, at least by electronic mail. When performing their obligations arising under the Operating Procedure, the Dealers participating in the issue of a particular Series will be required to comply with the provisions of the Prospectus Regulation, the Act on Public Offerings and the relevant provisions applicable in the given jurisdiction.

The Issuer will ask the Dealers to present Bond placement options. The Parties agree that, within one Series, all the conditions set out in the Proposal to Acquire Bonds of a given Series – in particular the issue price, interest rate or margin – will be the same for all Investors to whom the Proposal to Acquire Bonds is addressed. By submitting an Acceptance Form, all the Investors will acquire Bonds on the same conditions.

The tables below show the sequence of events in the Bond issue process and, as an indication, the day and time when a given action is to be performed at the latest (in column one and two of the table, respectively). With respect to a given issue, the Issuer, the Dealers participating in a given Issue and the Issue Agent will jointly agree on the final time limits (the number of days remaining to the Issue Date) or calendar dates for the completion of specific actions, taking into account both the sequence of events as recorded in the tables below and the time constraints for a given issue.

Any documents submitted on behalf of the Issuer in accordance with the relevant Operating Procedure may be certified by any person (individually) whom the Issuer indicates in the power of attorney granted in accordance with the form attached as Schedule 7 to the Issue Agreement.
